Now for the updates the last newsletter we have had two of our brothers go to The National Leadership Seminar they included Will

V/C Program Patrick

Scouts,

In the past couple of months our chapter has been growing. At the February meeting we had an outstanding 18 people at the chapter meeting. In the past the chapter had majority adults at the meeting but that was not true as there were 10 youth and 8 adults

and myself. NLS is a dynamic weekend of teaching different consents on being a better leader in both your chapter and in life. It is a great program. On another note we have just finished our first ceremony team tap out ceremony. Which included Riley Papp, Patrick Duncan, and myself Matt Robson? And if you would like to be on a team there is alot to pick from there are ceremony teams for tap out, and pre-ordeal. There are also different dance. And maybe if we can get it going

at the chapter meeting. At the March meeting the numbers were a little less but we still had majority youth which was a greet thing. Furthermore in our ceremonies coming up at the district we will be MCing the campfire Saturday night and we will also be doing our callout ceremony. After the competi-

a drum and singing team later on. Some of the other things that you can learn are bead work and how to make other Native American items. And to finish things off I would like to see all the brothers at the next order of the arrow event so that we can welcome all our new members.

Helpful things for camping

Pin a dryer sheet to your shirt or pants to repel mosquitoes, bees and gnats while working outside. You may also hang a dryer sheet above doors, windows and other entryways to keep the insects from entering your home.

Fight foot odor. Fold two dryer sheets in half and slip them into shoes.

Pack with zip lock baggies - helps keep things fresh, dry and critter free.

Natisihi Chapter Co-Advisors

Greetings to my fellow arrowmen. Our ceremonies team has been busy impressing parents and webelos with our crossover ceremonies.

Crossovers with an Indian theme that has brought great reviews from scouts, leaders and parents. It was something they will cherish for a longtime. Pack 73 and Pack 7 both gave us outstanding reviews this year. Please contact The Order of the Arrow if your packs can use our assistance in any type of ceremonies.

My thanks go out to Dan Papp, Riley Papp, and Patrick Duncan for the great job they did in holding the camp promotions and elections. 25 youth and 4 adults were nominated this year.

Congrats to James Hal-

ligan, Brandon Cummings, and Matthew Gualteros for obtaining their brotherhood at Pow-Wow.

Just a reminder to all that OA events is held the third weekend in March, April, May and September.

In closing I would like to thank all that participate in our chapter activities. I encourage all to seek the arrow!

I'd like to welcome all of our new candidates to the Order of the Arrow. We hope to see you at May Inductions and to be a part of Natisihi Chapter. If you are unable to make it to the Spring Inductions you have the weekend of September 18th, this is your last chance for

this year. If you can't attend one of these weekends this year you will need to be voted on again next year in your troop.

Our Chapter is the second site behind the Health Lodge. It is called Persimmons and no there have not been any sightings of persimmons in our site.

Our chapter maybe small but we have a wonderful group of people I am proud to say are my friends. David Williamson (co-advisor) and I have known each other since diaper days and feel if I needed him for something he would be there for me as I would for him. He is a great guy and works hard to help keep our chapter going. We butt heads on occasion but that is to be expected. I'm his little sister not

in name but in friendship.

As I said before Welcome to Natisihi Chapter!

The National Leadership Seminar (NLS)

The National Leadership Seminar (NLS) is a weekend training program focusing on leadership development. Run by the Region Chief and his Advisers, it provides an in-depth look at leadership skills and techniques. At

NLS discusses how these skills can be applied in your role in the OA and in other aspects of your life.

The NLS program is offered several times a year at various locations in each region. Scheduled dates are given on the National OA Program Calendar and are published in the Order of the Arrow's National Bulletin. More detailed information is available from your lodge leaders, the Section

Chief or Adviser, or the Region Chief or Region Chair.

Each region runs their own NLS program, so detailed information on upcoming NLS sessions is usually available on the appropriate region web site.
